PRESIDENT'S MESSAGE

Heather Canterbury

Happy June! It's time for the air conditioners to be blasting and the lemonade to be ice cold. For those who have gone "home" for the summer, we will miss you and look forward to your return in the fall/winter. It won't be the same without you.

Helen Keller once said, "Alone we can do so little; together we can do so much". This quote has resonated with me lately because it reminds me of the amazing community we have built together. We are so lucky to have the chance to be part of something bigger than ourselves and to make a real impact on those around us. So, what kind of impact are you making?

I genuinely believe that we all have kindness and compassion within us. We should always choose to help and support each other. When we work together and combine our efforts, we can achieve incredible things that could never be done alone. By sup-

porting one another and building strong connections, we can create a brighter, happier life for ourselves and those around us.

So, let's take the time to get involved in community events, lend a helping hand to those in need, and be supportive of our neighbors. Together, we can make a positive difference in our world and create a sense of pride and accomplishment within our community. It's time to embrace the power of working together and strive to build a better and happier Dreamland, one step at a time.

If you are one of our neighbors who could use some help, whether it's to have the paper brought over while delivery is down, a meal when you're sick, or another need, please reach out to me at heatherd-vc@gmail.com. While I cannot promise to meet every request, I will do my best to find others willing to help. We are greater together than alone.

Welcome New Residents

Are you new to Dreamland Villa as a homeowner or renter? We would like to help you become acquainted with your community. More than likely, you chose Dreamland Villa for its 55-plus Community that is safe, quiet, and the homes are well maintained. The residents of Dreamland Villa are pleased that you have selected our community for your new home.

To help you become acquainted and participate in our community activities and amenities, we would like to provide you with Kee Card(s) to access our facilities and activities for the current year.

Within the first several months of your residency in Dreamland, you will be contacted by a Dreamland team member from our welcoming volunteers to present you with your Kee Card(s) and show our appreciation for becoming a resident in the Dreamland Villa community. This Dreamland team member will be able to answer your questions, provide you with a tour of our facilities, and encourage you to participate in our many social activities.

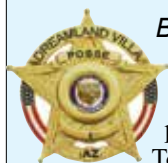

We know that many of our new residents are still working, so we are trying to have events and activities that take place during the evening hours or weekends. We are looking forward to helping you become an active member of the Dreamland Villa community.

We have several ways of communicating with our residents. We have a newspaper called the "Citizen" which is delivered to your door, a weekly email blast providing you with all the activities taking place in the upcoming weeks, a website (<https://www.dreamlandvilla.org>), and two Facebook pages dedicated to Dreamland Villa residents. All events and activities are posted on our bulletin board at our office at 320 North 55th Place.

A great way to get acquainted is to come to the coffee socials on the second and fourth Saturdays of each month, beginning at 7:30 am, in Read Hall. Hope to see you soon!

ARIZONA IS HEATING UP!

As temperatures begin to soar in Arizona, it's crucial to prepare yourself, your home, and your vehicle for the scorching heat. With temperatures often exceeding 100 degrees Fahrenheit during the summer months, staying safe and hydrated is paramount.

First and foremost, staying hydrated is essential. Carry a reusable water bottle with you wherever you go, and drink water frequently, even if you don't feel thirsty. Avoid beverages containing caffeine or alcohol, as they can contribute to dehydration.

Limit your time outside during the hottest parts of the day, typically between 10:00 am and 4:00 pm. If you must be outdoors, seek shade whenever possible and wear lightweight, light-colored clothing to help reflect sunlight and heat.

Prepare your vehicle for the summer

heat by ensuring that your car's cooling system is in good condition. Check your coolant levels and consider servicing your air conditioning system to ensure it's working efficiently. Additionally, keep an emergency kit in your car stocked with water, snacks, and basic tools in case you experience car trouble in the heat.

Before the peak of summer hits, have your home's air conditioner serviced to ensure it's functioning properly. Clean or replace air filters regularly to maintain good air quality and efficiency. Consider installing blackout curtains or window film to block out heat from the sun and keep your home cooler.

Always keep your cell phone charged and programmed with emergency numbers, including roadside assistance and local authorities. It's also wise to have a backup power source, such as a portable charger, in case of power outages during extreme heat events.

Lastly, prioritize safety above all else. If you or someone you know experiences symptoms of heat exhaustion or heatstroke, such as dizziness, nausea, or confusion, seek medical attention immediately. Stay informed about weather forecasts and heat advisories and take necessary precautions to stay safe in the Arizona heat. By staying hydrated, limiting outdoor exposure, and preparing your home and vehicle, you can beat the heat and enjoy a safe summer in Arizona.

A Yamaha piano has been purchased and delivered to Read Hall! Several Dreamland Villa members donated the money to buy this wonderful instrument. What does this mean for you? For starters, there will be more live music at our events. Also, for those who know how to play the piano but may no longer have an instrument at home, you can come and "tickle the ivories" as long as there is no scheduled event in the hall. All you need is your membership kee card and the ability to play the piano.

Acts of Kindness Card Program

DVRC Social Committee would like your help in reaching out to those who have suffered a loss, are dealing with an illness, or recovering from a surgery.

There is a fill-out slip in the office where you can add a name and address of someone to whom we can send a card. Then place the slip of paper in the Acts of Kindness box. We promise to send a card if you let us know the need! Lastly, if you have any of the *Get Well* and *Sympathy* greeting cards that you're not using, we would gladly take them off your hands and put them to good use.

Thank you for your support.

Once again, thank you to our Help Services summer team, who keep our doors open to help folks all summer long. It is a huge, huge help to our president Patty Thorpe while she is enjoying a wonderful summer in beautiful Wisconsin. I, on the other hand, will be building a runway for our B-19 mosquito population.

It seems like it was just yesterday when we got home. We are already missing the warm weather and sunshine. We will miss visiting with all these good folks until our return back home here in Arizona, where the cool October gentle breezes will be wafting around my face, as I rake rocks, dead weeds and leaves, while contemplating the cost to have the palm trees trimmed this year.

I thought I would spend a little time on what we have in our inventory to loan out. We have the following

medical equipment that will most definitely help in many ways for speedy recoveries.

We have hospital beds, commodes, toilet risers, knee-walkers that fold, canes of all different kinds, crutches, transfer chairs, C- walkers, Wheelchairs, and beds, just to mention a few. Don't forget we have a huge supply of adult incontinence needs, at no cost to you!

If this is the first time you have picked up the Citizen and you are wondering what our summer hours are, we are open Monday, Wednesday, Friday, and Saturday from 9:00 am to Noon. Help Services is financed solely by your generous donations and by personal bequests, and as always, tax deductible. You can contact us or Debra Traskos at 480-985-6021 if you would like to help us by becoming a monitor. Check us out on our web page at www.HelpServicesInc.org.

From this newsboy, our President Patty Thorpe, and all the hard-working board members and monitors, have a great summer!

Silver Screen Spotlight

By Heather Canterbury

Can you believe it is June already? Now is the time to grab your significant other or best friend and enjoy a 2-3-hour vacation. There are plenty of op-

tions for all viewing tastes.

June 7th *Bad Boys: Ride or Die* opens. In this fourth part of the *Bad Boys* franchise, Mike Lowrey (Will Smith) and Marcus Burnett (Martin Lawrence) are on the run, fighting to clear their names. Expect plenty of action and comedy. While not rated at this writing, it is expected to be rated R.

If you love animated films with a feeling, be sure to see *Inside Out 2* on June 14th. We first met Riley and her emotions, after being moved from her hometown to San Francisco. Now a teenager, her "mind headquarters" is going through renovations to add a new member, Anxiety, but it looks like she isn't alone. *Inside Out 2* is expected to be PG-rated and is already getting great reviews!

The *Bikeriders*, June 21st, is set in an era of change. After a chance meeting, Kathy is drawn to Benny, the newest member of the Vandals motorcycle club. When the club begins to evolve from a gathering place into a dangerous underworld of violence, Benny is forced to choose between Kathy and the club. *The Bikeriders* is rated R.

To end the month, *A Quiet Place: Day One* starts June 28th. This highly anticipated prequel shows audiences how the creatures came to Earth and the aftermath it caused. With a tagline like "Experience the day the world went quiet.", you know you can expect lots of tense action. If AQP: Day One follows its predecessors, it will be rated PG-13.

Year-Round Resident's Corner

By Megan Tackett

I am so pleased to see the engaging articles that are showing up by our new President, Heather Canterbury. She is doing a fantastic job and shows up to all events at Dreamland. What a force of nature she is, and is devoting all her free time to be our President. We are so lucky to have the new board.

Do you know your neighbors? Whether you are already best friends or you have never met, a block party is a great way to bring the neighborhood together to enjoy food, activities, conversation, and make memories. Some of us will be living here for decades more! And, who doesn't like to eat?

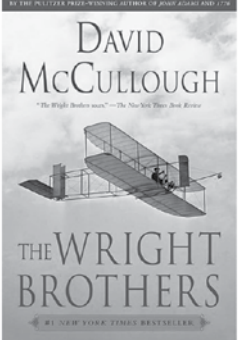

You can have a lawn, gravel, or driveway party, and invite the whole street, or just invite a few friends. Have your dinner in the front yard, so other neighbors can see you and drop by.

There have been a few successful block parties that have occurred over the years and everyone always has a good time. Send your block party pictures to the office so they can be featured in the weekly email blasts. There are permits required for the blocks that border busy streets, and once the Maricopa website is updated, we can find out more information to present in future articles. The county can put up blockades for certain streets to help us out.

If you have any questions, please, call, text, or email me. Megan Tackett- 480-297-1877

BOOK REVIEW

By Anita Thompson

The Wright Brothers by David McCullough

I very seldom read nonfiction but McCullough really did a lot of research, and rather than just being history, he made this a really interesting book that was just like reading a story. Thanks to Mary for picking this title for the book group. I learned so much; the only thing I really knew about the Wright brothers was that they were the first to fly a plane. The flight took place at Kitty Hawk, North Carolina in 1903, which was the year my father was born. I have seen the North Carolina license plates that say First In Flight.

I didn't know that first of all, they were bicycle mechanics, then they built motorcycles. It's a story of a very close-knit family; their devoted sister Katharine played a far more important role than most people know about. It was surprising to me that in the beginning, countries in Europe were more interested in their airplanes than we in the United States were. The amount of traveling abroad they did to promote their planes was astounding in those years. It told about their determination, their far-ranging intellectual interest and curiosity, and their commitment to never working on Sunday, which I admired. If you want to learn more about the origin of planes, which in this day and age we take for granted, and the benefits that are possible with good old-fashioned hard work, you need to read this book.

Dreamland Singles Club

By Lu Wald

Happy Summer everyone. I hope that wherever you spend your summer, you will stay safe and well, and of course, cool!

May found us doing a bit inside, whereas April found us enjoying so many fun outdoor things. We kicked off the month with 14 people driving to a lovely restaurant on Saguaro Lake called Shiprock, and enjoying a delicious lunch there. Then on Sunday, a group enjoyed a concert at the Chandler Symphony. On Monday, we viewed a play called Kiss and Tell at the Hale Theater in Gilbert. We all shared an excellent potluck on Tuesday evening and then returned for the Singles Meeting on Wednesday Morning. Whew!! Now that was a full week, wasn't it? But, there was more. On Monday the 13th, we stayed cool at the theater to see The Fall Guy, and then on the 15th, we headed to Chandler

to the Cheddar Scratch Kitchen for a nice dinner. On Friday the 17th, a group headed up to Scottsdale to travel on the Arizona Wine Wagon to several vineyards and got to sample some wine. At the request of some members, we gathered in Read Hall on Sunday afternoon for games. We're hoping this catches on so we can continue it all summer and into the fall. On Sunday the 26th, some of our group enjoyed playing Bingo at We Ko Pa. And of course, many of us come to the Saturday morning Coffee Social and to Card Bingo to join others in different card games.

In June we'll start the month with our potluck at 5:30 pm on the 4th. And of course, since we "love to eat", we'll finish off the week by heading to Genghis Grill in Tempe on the 7th. We will be taking in the Commemorative Airforce Museum on the 14th, and going to the Hale on the 15th for Newsies. We'll gather again for Sunday Games at 1:00 pm in Read Hall to maybe learn a new game and have a chance to socialize and meet new people. We'll drive over to Salerno's Pizza on the 19th for a nice dinner. On the

22nd, we'll carpool at 1:00 pm to enjoy the Prescott Music Festival. The concert is free, but bring a chair and let Kathie know ahead of time so we'll know how many drivers we'll need. We'll close out our month of activities by going to Queen Creek on the 28th to take in the Wizard of Oz. Of course, our big project will keep us busy this month, preparing for our annual Brats N Beans lunch on the Fourth of July. As we're always short of help, we hope that even though you cannot make it to the meetings or some of our events, you'll give us a call to volunteer to help; call or text 408-781-4082.

We welcome all single members in our community to come and join us. If you would like to join us at one of our dine-outs, call or text 602-300-4402 or 419-308-1832. If you would like to participate in our outings, call or text 480-830-6641. You certainly are welcome to join us at our monthly potluck on the first Tuesday of each month at 5:30 pm in Read Hall. Just bring a dish to share. Our meetings are always on the second and fourth Wednesdays of the month at 9:30 am.

Ceramic's In the Villa

By Barb Shelton

Welcome Summer!!!! Lots of exciting things are happening in the Ceramic/Fused Glass room. I have purchased some really unique bisque pieces for you to choose from. I have also been going through the paints and refreshing them or replacing them as needed.

Christmas in July is coming. Come and create a lighted ceramic Christmas tree or cactus. Sign up for Class in Room 8, or call me to reserve a spot at 847-274-9008. You will paint, fire, glaze, and fire again, then apply your light bulbs and light system. Keep following the Blast for the latest information on Ceramic's Christmas in July.

FUSED GLASS

By Cyndy Munday

Summer months are just beginning. It's crazy how the seasons come and go and the winter visitors come and go too. We always miss them while they are gone, but we're happy to see them return in the fall.

Fused glass will be open all summer, which is a good opportunity for those looking for something different to do without feeling rushed or crowded. We would appreciate meeting you and working with you to create something you love. Playing with glass is probably not the right expression since it is a form of art. However, it's your creation and we are there for you.

Come on by and check us out. We share a room with Ceramics and my understanding is they will be available all summer too, so if one sort of artwork isn't enough there is always another.

Come on over and meet us. Hope to see you soon.

Dreamland Villa Quilting Club

By Becky Lamson

Our photo this month is a layout of the May project quilt that was pieced together by members of the club. It will be a nice double bed-sized quilt for charity when finished.

June will be the beginning of our summer quilt club meeting schedule and it lasts through September. We will meet on the 2nd and 4th Thursdays of those months from 1:00 to 4:00 pm at Read Hall.

You're welcome to work on piecing or binding of a club charity quilt or on one of your own UFO's.

We always welcome your show-and-tell items.

New members are always welcome. If you have questions, please give me a call at 480-202-7003, or email me at beckyNleslie@gmail.com.

Quilters Quote: How do you know a quilter LOVES you. She uses her GOOD fabric for your quilt.

Dreamland Golf League

By Lu Wald

Although our league play has ended for the season, there may be some really good golfing days before the summer heat really sets in. So, if you would like to give us a try and wish to learn about our league, feel free to contact Lana at koeniglana@yahoo.com. We will have early morning t-times for a while yet and have small groups, so this may be a time for you to join us. Our league will resume on November 7th, so watch for more information in the Citizen in the fall.

SENIOR TECHIES

By Kay Hawbaker

Megan Tackett will continue to be available in Room 9 at 4:00 pm every Wednesday afternoon all summer for those who remain in Mesa. Come join in the discussions. It is a great way to keep active and to keep challenging oneself.

Also, remember there is a Zoom Saturday Q&A meeting held at 9:00 am. We take all questions about any device. If we don't have the answer, we will find an answer to bring the following week. If you would like to join us, let the office know and someone will get back to you. The link is sent every Saturday morning to those of you wishing to join us.

A website useful to some of the members of Dreamland Villa is "Nextdoor." <https://nextdoor.com/login>. Once you set up an account, it can be useful to find a lost dog, sell a car, or get a fruit tree picked. If you're new to the area, it might be a resource.

And please check out Dreamland Villa's website at www.dreamlandvilla.org.

MOST AMAZING AGENT!

We were so fortunate to have had Julie Rickli recommended to us. She was so helpful right from the get-go with recommendations of workers, to holding our hands each step of the way right through the closing. She is personable and friendly and I can't imagine having navigated the process without her guidance. She understood each step of the process and was always there to answer any questions we had and see us through to the end. I don't know enough superlatives to describe her conscientiousness and help!
